Chapter 1 by Adam

So, I just wrote this song. Kinda depressing :/ But instead of writing anything added to it, give me some tips or help in the chapters after. Enjoy.

Flying High

{I'm Flyin'

I'm flyin' high

With people dyin'

high in the sky

if theres anything

anything I can do to help them,

it's that the least that I could.

[x2]Woah, oh ooooo.

I am empty, empty inside.

I see the paper,

blood-covered scythe

he has come to take me high,

Our wings, carry us up,

Something happened here, that made us fall.

Yeah i'm flyin'
I'm flyin' high,
wth people dyin'
high in the sky.

If theres anything,
anything I can do to help them
it's that the least that I could
[x2]Woah, oh ooooo.

Not even immortality
can save us.
From the inevitable

connect with the world.

Falling in wormholes.

{chorus [x2]}

We're running

Feel the flames on my face,
No where I can hide

I'm tryin to escape this,
but it won't let me go,
I'm tryin to break this,
but you already know how it goes

I'm clawin at the chains,
Tryin make em break,
I'm riskin my life,
to be free"

(don't have to, but just thought it was good)
